
STRATACOUS

Behind the Mind

Strat is a vivacious, free-spirited, risk-taking adventurer. He has an energetic passion to travel and share the world through his lens. He has been to 47 states in the US and 20 countries; a true adventure seeker.

When he is not busy conquering mountains, or skydiving he is giving his time to help the environment and others, all with a smile on his face. His humbleness and patience give him an elegant perspective on this world. His focus is to produce quality and dynamic content with his keen eye for imaginative and layered shots.
